- **Multi-Purpose Organizations (including non-profits):** Effective July 1, 2014, multi-purpose organizations making political contributions or expenditures are subject to new campaign disclosure rules. In general, an organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and report payments on Campaign Form 461. Such organizations qualify as a recipient committee if expenditures exceed \$50,000 in a calendar year or \$100,000 in four years. Organizations qualifying as a recipient committee may need to file reports disclosing contributors. Some organizations will not need to file the year-end semi-annual report. See the [Campaign Reporting Rules for Multipurpose Organizations](#) fact sheet for complete instructions.
- **Form T-10:** Committees that receive \$1 million or more must file this report with the FPPC within three business days.
